in the early 1990s more than 1.6 million jews from the former soviet union emigrated to israel the united states canada germany and other western countries larissa remennick relates the saga of their encounter with the economic marketplaces lifestyles and everyday cultures of their new homelands drawing on comparative sociological research among russian jewish immigrants although citizens of jewish origin ostensibly left the former soviet union to flee persecution and join their co religionists israeli north american and german jews were universally disappointed by the new arrivals tenuous jewish identity in turn russian jews whose identity had been shaped by seventy years of secular education and assimilation into the soviet mainstream hoped to be accepted as ambitious and hard working individuals seeking better lives these divergent expectations shaped lines of conflict between russian speaking jews and the jewish communities of the receiving countries since her own immigration to israel from moscow in 1991 remennick has been both a participant and an observer of this saga this is the first attempt to compare resettlement and integration experiences of a single ethnic community former soviet jews in various global destinations it also analyzes their emerging transnational lifestyles written from an interdisciplinary perspective this book opens new perspectives for a diverse readership including sociologists anthropologists political scientists historians slavic scholars and jewish studies specialists

in the light of new archival material the editors take a fresh look at russian aviation in the twentieth century presenting a comprehensive view of russian aviation from its genesis in the late czarist period to the present era the approach is essentially chronological with a major emphasis on the evolution of military aviation the contributions are diverse with appropriate attention to civilian and institutional themes

this book offers a nuanced and detailed examination of two of the most important current debates about contemporary russia s international activity is moscow acting strategically or opportunistically and should this be understood in regional or global terms the book addresses core themes of russian activity military energy and economic but it offers an unusual multi disciplinary analysis to these themes monaghan incorporates both regional and thematic specialist expertise to give a fresh perspective to each of these core themes underpinned by detailed analyses of the revolution in russian geospatial capabilities and the establishment of a strategic planning foundation the book includes chapters on military and maritime strategies energy security and economic diversification and influence this serves to highlight the connections between military and economic interests that shape and drive russian strategy

this volume features new research on russia s historic relationship with asia and the ways it was mediated and represented in the fine decorative and performing arts and architecture from the mid eighteenth century to the first two decades of soviet rule it interrogates how russia s perception of its position on the periphery of the west and its simultaneous self consciousness as a colonial power shaped its artistic cultural and national identity as a heterogenous multi ethnic empire it also explores the extent to which cultural practitioners participated in the discursive matrices that advanced russia s colonial machinery on the one hand and critiqued and challenged it on the other especially in territories that were themselves on the fault lines between the east and the west

hong kong has been a unique society from its establishment as a political region separate from mainland china in the nineteenth century under british colonial rule until the present day as a special administrative region of the people s republic of china a hub of interregional and international migration it has been the temporary and long term home of people belonging to many racial ethnic and cultural groups this book examines the evolution of the community established by clergy and congregants of the russian

orthodox church this community was first developed in the 1930s and then revived after a hiatus of over two decades from the 1970s to the 1990s with the founding of the orthodox parish of apostles saints peter and paul opaspp at the turn of the twenty first century this study demonstrates how the opaspp has become a vital provider of knowledge about russian language and culture as well as a religious institution serving both heritage and convert believers the community formed by and around the opaspp is important to foster sino russian relations based on individual to individual contact and mutual exposure to chinese and russian cultures in a region of china which allows spiritual and social diversity with minimal political constraints
